

Format of the Abstract

Title of the paper, name of the presenting author and other authors, postal address, email address, abstract and keywords should be typed in Times New Roman as shown in the sample below.

Title (Bold, Centred, 12 point, normal) Start with capital letter for first word and all major words

Author(s) (Centred, 12 point, normal, footnote if more than one author)

Affiliation (s) (10 point, normal)

E-mail (10 point, italicized)

Abstract (Bold title, 12 point, normal, not more than 300 words)

Keywords (Bold title, 12 point, normal, use commas to separate items)

Spacing

Use single spacing, tab two spaces after Title and author(s)

Sample Layout: Title of Article Should Be Consised and Accurate Specify Subject of Paper

A. B. Fish¹, C. D. Flesch¹ and E. Fowle²

¹ Department of Superficial Research, University of Life, 99 Crow Road, Addlestep, Borsetshire BB3 1TC, UK

(E-mail: *fish@imaginaryaddresss.com; stag@bay.matrix.edu.uk*)

² Bodgett & Billham plc, Hamilton House, Hangover Square, London NC1 4TS, UK

(E-mail: *birdie@walford.cotton.co.uk*)

Abstract

The title, authors' names and addresses should be indented 1.5 cm from the left-hand margin of the text area; the abstract is indented 1.5 cm from both margins. The abstract itself, set in 12 pt type like the authors' addresses, should start about x cm down from the top of the text area. Please do not make reference citations in the abstract and please keep within the limit of 300 words.

Keywords

Abstract, author details, example, headings, layout, title page
