Description

ABOUT SOUNDSCAPE

Soundscape is creating an English music video to be publicised in YouTube. Participants are to compose their own lyrics with the melodies of any songs. In another words, they need to change the lyrics of a song using their own but still keeping the melody.

Description

ABOUT SCOUNDSCAPE

The music video can be a solo, duet or group singing without or with someone playing musical instruments.

Participants can choose songs from different genre of music (pop, rock and etc) and also songs of different languages (songs in Russian, Korean and etc).

The Task

1. CHOOSE A SONG & REPLACE THE LYRICS

You may want to choose a song which has repetitive lines. When you are thinking of the words, you may want to think of a theme for the song, such as exams or COVID19.

2. ADD OTHER FORMS OF ARTISTIC IDEAS

Aside from changing the lyrics, you may add social messages in the form of images, for example, in order to illustrate your lyrics.

3. POST THE MUSIC VIDEO ON YOUTUBE

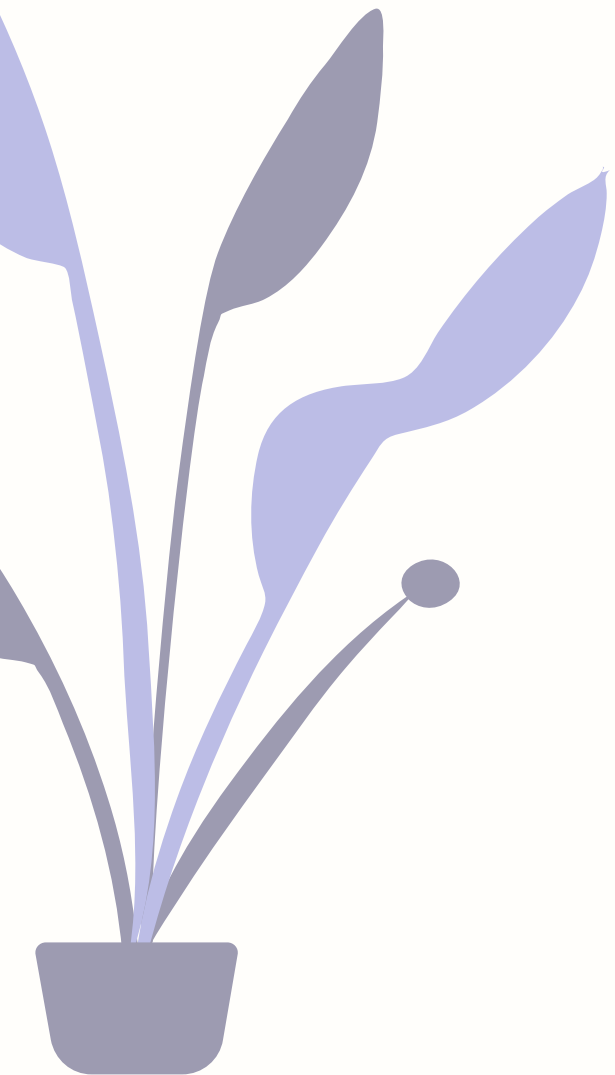

Posts the music video by the deadline: 2 Dec 2020 by 12 noon.

The Task

4. RECOMMENDED APPS

You may want to work with these apps:

- Soundtrap
- Bandicam or other screen capture app
- Webex or other video conferencing app
- InShot or other editing app
- YouTube

OBJECTIVES

- to increase vocabulary through writing lyrics
- to speak clearly with the correct pronunciation and intonation

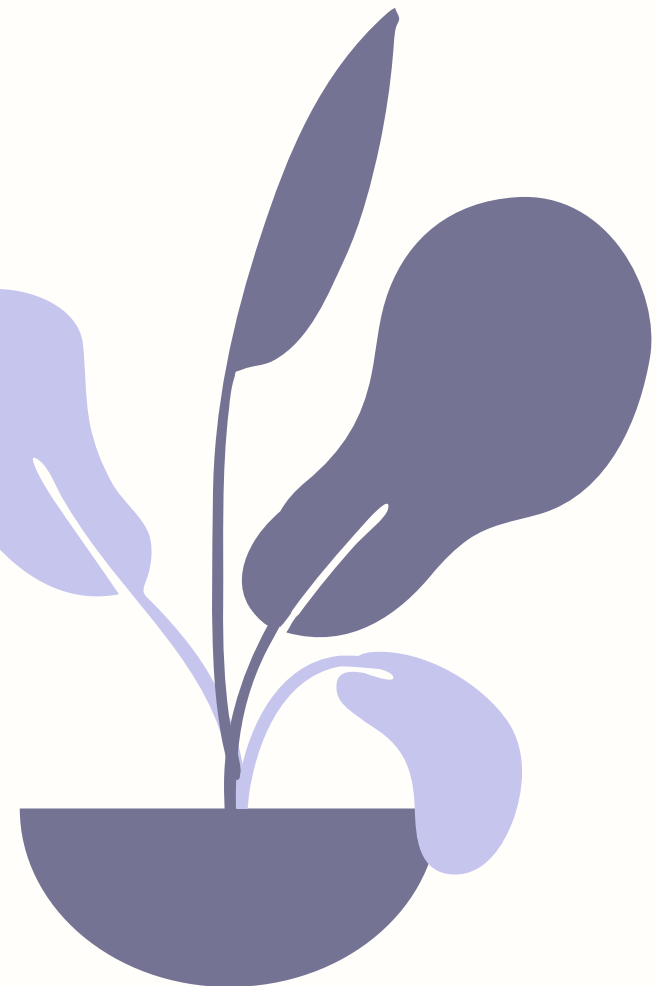

Rules of Production

SOUNDSCAPE

- must create lyrics using English only
- must not use swearing words and obscenity
- dress appropriately
- video must be between 3 - 5 minutes
